HOUSE COMMITTEE REPORTS

the House of Representatives presented a report Wednesday on Correa's Petition No. 31, asking the Legislature to appropriate \$10,000 for the extension of Pua lane to School street. The committee recom mended that the item be inserted in the Appropriation Bill.

The committee also recommended that an item of \$4000 be inserted in the Appropriation Bill, in accordance with House Petition 16, presented by Sheldon, for a water works sys tem for Kekaha, Kauai,

Reporting on House Resolution 139, requesting the Land Commissioner to open up the tract known as Waikalua, Koolaupoko, Oahu, for homestead purposes, the committee said it had found the lands to be under lease to James B. Castle until October 15, 1913, and so recommended the resolution be tabled. Similar recommendations were made in regard to House Resolutions 136 and 141, the first that the Waiakea lands be opened up for homestead purposes the second that the Pilhonua, Hilo. lands be thrown open for steading purposes. Both lands were

found to be under lease. The committee reported favorably on House Resolution 146, by Sheldon, to appropriate \$5000 for the extension of the water-pipe system of the Walmea water works.

The Educational Committee recom mended the passage of Senate Bill 51 relating to the Department of Public consent of the introducer, that Rice's bill, No. 80, relating to the same subject, be tabled. All reports were
